

The ultra strong,
silent type . . .
with full protection

Transparent Introduces PowerWave 10

- 10 AC outlets in 5 isolated banks, no current limiting, reduces more AC line noise, superior AC power factor control for music and picture purity
- Fail-safe, super fast surge protection with full connected components warranty
- Detachable, upgradeable PowerLink Plus power cord
- 1-phone and 2-coaxial (antenna, CATV, or satellite) source protection inputs
- 2 rack spaces high
- Slim, curvaceous front profile that is beautiful on a shelf or mounted in a rack (rack-mount ears included)
- Superior chassis materials and construction minimize resonances and electromagnetic distortion
- See your Transparent Dealer for details.

PW10 WITHOUT RACK-MOUNT EARS
