

The strong, silent type ... with full protection

Transparent Introduces PowerWave 8

- 8 AC outlets, no current limiting, reduces AC-line noise, controls AC power factor for music and picture purity
- Fail-safe, super fast surge protection with full connected components warranty
- Detachable, upgradeable High Performance PowerLink power cord
- 1-phone and 1-coaxial source protection input
- 2 rack spaces high
- Slim, curvaceous front profile that is beautiful on a shelf or mounted in a rack (rack-mount ears included)
- Chassis materials and construction minimize resonances and electromagnetic distortion
- See your Transparent Dealer for details.

PW8 WITHOUT RACK-MOUNT EARS
